### Your day on disk (Half Day 4.5hrs)

The 'your day on disk (Half Day)' package deal is ideal for those who still want a professional range of photos taken but without the added cost of an album.

#### Included in the package

- **4.5 hours** photographic coverage, starting from whenever you deem necessary. This can be at the beginning of your bridal preparations or at the start of the ceremony itself; this is entirely your choice.
- The edited JPEG images are presented in a black leather presentation case which has a 2x2 image aperture on the front for a picture of your choice. The CD is personalized with an inkjet image on the front. All the images are high resolution which means you can print them as many times as you wish to any size.
- On-line wedding gallery for family and guest.
- Free Engagement studio session, these are a great way to get to know each other before the big day, there is also the option to purchase a guest signing frame or canvas from these shoots. With a free 7x5 photo of your choice.
- Free Trash the dress shoot, not for every bride and groom, but these shoots give you the opportunity to get dressed up in your fancy frock one last time and capture some creative, stylish images. With a free 7x5 photo of your choice.

**Price £500.00**
